

LOADING INSTRUCTIONS

2013-01-17

Please, download and unzip the ZIP file containing the taxonomy.

The **entry point** of the new EBA beta FINREP Taxonomy for testing (2012-12-12) is located here:

finrep_beta_20121210\www.eba.europa.eu\eu\fr\xbrl\fws\finrep\draft\2012-12-10\mod\entry.xsd

This draft beta version of the EBA FINREP taxonomy uses the [Table Linkbase specification, December 21, 2011](#), the only publically available version of the specification. The production release is to be based on the latest Table Linkbase specification approved by XII.

In order to load properly the taxonomy, please, download and create a mapping with the XSD files of this ZIP file:

<http://www.eurofiling.info/finrepTaxonomy/www.xbrl.org.zip>
