

STEP 1. Go to www.semic.eu website

The screenshot shows the SEMIC.EU website homepage. At the top, there is a navigation bar with links for Home, MySEMIC, Glossary, Contact us, and Legal notice. The SEMIC.EU logo and Semantic Interoperability Centre Europe text are on the left. A search bar is on the right. Below the navigation bar, there is a sidebar with a menu of services: About SEMIC.EU, Network, News and Events, Library, Forum, Asset Repository, Asset Assistant, and Coaching. The main content area features a 'Latest News' section with three news items dated 16/12/2009, 15/12/2009, and 11/12/2009. Below the news is a 'Browse all contents by domain' section with a grid of domain categories: Culture, EU Affairs, Economy, Environment, Health, Information Society, Justice, Research and Innovation, and Social Affairs. At the bottom of the main content area is an 'Asset Repository Snapshot' table. On the right side, there is a 'New to SEMIC.EU?' section with a video player and a 'More information' link.

STEP 2. "Login" or "Register"

This screenshot is identical to the one above, but with a red arrow pointing to the 'Login' form in the sidebar. The login form contains the following fields and options:

- Login** (with a user icon)
- Username**:
- Password**:
-
- [Register now](#)
- [Forgot your password?](#)

STEP 3. Click on "Asset Repository"

STEP 5. Click on "Join forum discussion"

The screenshot shows the SEMIC.EU website interface. At the top, there is a navigation bar with links for Home, MySEMIC, Glossary, Contact us, and Legal notice. The main header features the SEMIC.EU logo and the text 'Semantic Interoperability Centre Europe'. Below the header, there is a search bar and a decorative winter scene with figures. The left sidebar contains a menu with options like About SEMIC.EU, Network, News and Events, Library, Forum, Asset Repository, Asset Assistant, and Coaching. The main content area displays the 'Asset: FINREP XBRL Project' with status indicators (Development, Registered, Mature, Conform) and tabs for 'Asset' and 'Release downloads'. A red box highlights the '> Join forum discussion' button, with a large red arrow pointing to it. Below the tabs, there is information about the asset ID (59388), initial publication date (2009-07-02), and last change. The description states: 'FINREP XBRL Project: FINancial REPORTing is designed for credit institutions that use IAS/IFRS for their published financial statements and that have to provide similar information in the periodic prudential reports they are required to submit to their supervisory authorities. More details at www.eurofiling.info'. There are also sections for 'Represented countries' (European Union), 'Keywords' (FINREP XBRL), 'Domains' (Economy (other), Economy), and 'Related Assets' (Related to: COREP XBRL Project).

STEP 6. Click on "post reply"

The screenshot shows a forum thread for 'FINREP XBRL Project'. At the top, there are navigation links for 'Forum Index > assets > FINREP XBRL Project'. Below the navigation, there are buttons for 'post reply', 'Watch this topic', and 'Bookmark it!'. The thread consists of two messages. The first message is from user 'iboixo' (joined 02/07/2009) and has the subject 'FINREP XBRL Project'. The message content is: 'Ignacio Boixo published the Asset "FINREP XBRL Project", in the category "Economy". The SEMIC.EU team kindly invites you to comment on this asset.' The second message is from user 'semic-clearing' (joined 04/08/2008) and has the subject 'Asset Assessment Report Published for FINREP XBRL Project'. The message content includes: 'Dear SEMIC.EU users, as part of the SEMIC.EU maturity process we have assessed this asset. Our findings have been documented in the Asset Assessment Report (see Attachment). We found the asset to be of generally high quality. The documentation is extensive and available in English. In addition to the documentation examples and additional information for implementors is available from the project's web site at <http://www.finrep.info>. The structure of the model is well explained, but in order to fully understand it, domain knowledge is required. The asset's content is very specific for its field of application; nevertheless, no major problems were detected during the assessment. Based on this assessment we recommend elevating the asset to "mature" status. Please add your own comments here in the forum. If no negative comments are received by 23 November 2009 the "mature" state will be granted. The SEMIC.EU Clearing Process Manager' followed by a table of asset details and a 'Download' button. The table contains the following information:

Filename	SEMIC.EU_AAR_FINREP.pdf
Description	Asset Assessment Report for FINREP XBRL Project
Filesize	45 Kbytes
Downloaded:	35 time(s)

The message also includes a note: 'This message was edited 1 time. Last update was at 02/11/2009 15:40:27'. A red box highlights the 'post reply' button at the bottom left, with a large red arrow pointing to it.

STEP 7. Write your comments and click on "Submit"
